

CHERISH: Creating Health Equalities, Rights and Inclusion in Stockton and Hartlepool

the
cherish
project

- **Improving** health opportunities for people with learning disabilities
- **Promoting** positive changes
- **Changing** attitudes
- **Better** experiences of health services

The **CHERISH Project** works with people with learning disabilities and their Carers to improve access to healthcare.

We also work with health professionals to raise awareness of the issues people face and the changes needed to make things better.

Please contact us to get involved.

CHERISH: Creating Health Equalities, Rights and Inclusion in Stockton and Hartlepool

the
cherish
project

Project Aims:

- Increase the uptake of Health Action Plans

- Increase uptake of Annual Health Checks

- Improvements in screening programme uptake

- Increase awareness of the Equality Act 2010, especially around 'reasonable adjustments' for health providers
